

Round Engine Round-Up

June 28-30, 2018

Here's a tentative schedule of events for the Round Engine Round-Up:

Thursday June 28 nd	6:00 PM	Early Birds Shindig at Rainbow Ranch
Friday June 29 th	12:00 PM	Lunch at Aero Mark XL (KIDA)
	6:00 PM	Dinner at Aero Mark XL (KIDA)
Saturday June 30 th	9:00 AM	Fly-Out to West Yellowstone Airport (WYS)
	10:00 AM	Recreational Aviation Foundation Brunch at West Yellowstone Airport
	2:00 PM	Huckleberry Ice Cream at Rainbow Ranch
	6:00 PM	Dinner at Rainbow Ranch
Sunday July 1 st	7:00 AM	Breakfast at the Red Baron Hangar (KIDA)

How to get to the Round-Up and where to bunk:

When flying in to Idaho Falls, Idaho (KIDA), Aero Mark's big XL barn is south of the control tower, off of taxiway Alpha. We will have marshallers out to park you, and feel free to give us a call on Unicom at 122.95 to let us know that you are here for the Round-Up. If you are driving the physical address is 2000 International Way, on the Idaho Falls Regional Airport. Follow the airport signs onto Skyline Drive heading north and make a hard left onto International Way. Proceed straight past the F-86 Saber, and the big silver building in front of you will be your destination.

We recommend the following hotels. Please mention "Aero Mark" specifically when booking your room to get reduced rates:

Fairfield Inn & Suites	(208) 552-7378
Hilton Garden Inn	(208) 522-9500
Le Ritz	(208) 528-0880
Residence Inn	(208) 542-0000

A quick note about our fly-out:

Due to a pretty significant improvement project at Smiley Creek, Idaho, our go to spot for the Saturday Round Engine Round-Up fly-out, we will be doing something different this year. Our plans are to fly up to West Yellowstone Airport (WYS) via Quake Lake. Our good friends in the Recreational Aviation Foundation will be cooking up a wonderful breakfast for us there. After breakfast we will depart West Yellowstone and head East over some of the most spectacular parts of Yellowstone National Park, including the Grand Prismatic Spring. We will then head South along the Teton Range, past the Grand Teton and descend into Afton, Wyoming (AFO), where we'll get a tour of Aviat Aircraft, builders of the Husky and Pitts. After that we'll head back to IDA for some fresh Huckleberry ice cream. This trip will offer some breathtaking scenery and will be an excellent chance to get some great air-to-air photography done. Next year we can return to Smiley Creek and help them break in their brand new facilities.

If you have any questions feel free to email Thomas Hoff at galactic@gmail.com or call (208) 403-6153. We're looking forward to seeing you in June!
