

The Great American Eclipse at KIDA

August 21, 2017

Planning on flying into Idaho Falls, Idaho (KIDA) for the Great American Eclipse? Here's what you need to know: Idaho Falls Tower will be directing you to an appropriate ramp for parking. Please follow their directions as ramps will fill up fast. Aero Mark's primary ramps and FBO buildings are south of the control tower, off of taxiway Alpha. Once Aero Mark's primary ramps are full we will be parking additional aircraft on the Red Baron ramp off of taxiway Bravo. We will have marshalls out to park you. Follow their directions. Tie-downs are limited, cannot be reserved, and are first-come first-served. Once tie-downs are full additional aircraft will be chocked only. We will have ramp fees for August 21, 2017 only. They are:

Piston Singles: \$20.00 (waived with 20 gal. fuel order)
Piston Twins & Turboprops: \$50.00 (waived with 50 gal. fuel order)
Jets: \$100.00 (waived with 100 gal. fuel order)

Hangar spots are limited and are first-come first-served. Contact us ASAP to book.

We will have a designated eclipse viewing area on the Idaho Falls Regional Airport outside of the AOA and within walking distance of the FBO. We cannot provide transportation from the FBO to the eclipse viewing area. You are free to bring your own chairs and coolers. Eclipse glasses will be sold at the FBO, supplies are limited. We are not able to arrange any hotels or rental cars in Idaho Falls and the surrounding area during the week of the eclipse. All hotels and rental agency's are booked. Our courtesy car will not be available.

Any questions? Email us at info@aeromark.com.

Aero Mark, Inc. is looking forward to serving you during the Great American Eclipse!
